

## DISCOVER NORTH HUVADHOO

### Journey to Island Formation

Join us on a totally unique and interactive journey into the heart of the Maldives and discover how these groups of paradisiacal islands were created. Our Leisure Concierge will guide you through the 5 stages of island creation from initial formation to a modern day environmental resort. Along the way you will physically and visually explore the features of each stage. Be transported by natural currents through island channels, snorkel at each stage and understand the varying flora and fauna of the differing periods in the life of an island. Lunch will take place on an uninhabited desert island before visiting an inhabited island to discover the real Maldives.

4 hours | US\$ 375 per person or US\$ 650 per couple  
Minimum 2 guests required for excursion to proceed  
Additional Private Guide | US\$ 65 per excursion

### Sunset Cruise

Take the opportunity to savor some time alone with your loved one by setting off on a beautiful journey aboard our traditional Dhoni. Relax on the top deck with the sea breeze running through your hair. Watch the splash of colors in the evening sky transform from intense blue to stunning rose and mauve or admire the breath taking star-studded sky. Enjoy fresh coconut and specially prepared canapés as you cruise around the atoll.
